

# SERMON TOPIC:

## The King is Coming

### SERMON SUMMARY

The sermon focuses on Revelation 22, the final chapter of the Bible, discussing God's ultimate plan for eternity. The pastor emphasizes three main points: God's final situation (describing the new heaven and earth), His final admonition (warnings about Christ's return), and His final invitation to salvation. The message centers on the theme that Jesus is coming back and the importance of being ready for His return.

1. Jesus is coming back suddenly and we need to be ready
2. God's Word is complete and perfect - we shouldn't add to or take away from it  
In eternity, believers will see God face to face and serve Him with pure motives
4. The invitation to come to Jesus is still open today, but won't be forever
